Student Handbook
Addendum

Clayton State University is a senior unit of the University System of Georgia
PROVISIONS OF THIS PUBLICATION

The Clayton State University Student Handbook & Academic Catalog is designed to provide information about the University's policies, degree programs, course offerings, services, faculty, and facilities. Statements set forth in this publication are for informational purposes only and should not be construed as the basis of a contract between a student and this institution.

Information in this addendum is retroactive to January 1, 2019 and any policies or curricular changes that have been updated in this addendum supersede those found in the 2019 Academic Catalog that was released in August 2018.

While the provisions of the Academic Catalog portion of this publication will ordinarily be applied as stated, Clayton State University reserves the right to change any provision listed - including but not limited to academic requirements for graduation - without actual notice to individual students. While every effort will be made to keep students advised about all changes, it is especially important that each student note that it is his or her responsibility to remain apprised of current graduation requirements for particular degree and certificate programs.

Minor Programs

Clayton State offers a variety of minor programs for students to enrich the overall educational experiences of students. Minors are not required for graduation, and certain minors are available only to students in specific majors.

In order to graduate with a formal minor that will be noted on the student's permanent record, the student must complete the requirements for the specific minor as stipulated in the online CSU catalog. The major advisor is responsible for reviewing a student's progress in the minor. Students must submit to the Office of the Registrar a minor application along with the degree graduation application by the published graduation application deadline. Minors may only be awarded in conjunction with a baccalaureate degree. Minors will not be awarded after the baccalaureate degree has been posted to the academic transcript.

### Pre-Professional Concentrations

Clayton State offers a variety of pre-professional concentrations of study for students who anticipate transferring to other institutions to complete degree requirements. Advisors are available within the College of Arts and Sciences assist students in selecting courses appropriate for pre-Dentistry, pre-Engineering, pre-Law, pre-Medicine, pre-Pharmacy, and pre-Physical
Therapy. Students interested in these concentrations of study must be sure to declare a major in an appropriate field while enrolled at Clayton State.

Pre-Dentistry

Students wishing to prepare to enter a professional school of dentistry should select the Biology or Chemistry (B.S.) major and consult with a professional advisor and career mentor.

Pre-Engineering

This concentration of study is designed for students who intend to transfer to Georgia Tech or another university engineering program; students should check with an Engineering advisor about the latest information on transfer programs.

Pre-Law

Law schools do not require a particular major, but institutions accredited by the American Bar Association require that entering students hold a bachelor's degree. Students wishing to prepare for law school should consult a pre-law advisor to determine the best concentration of study to suit their needs. Pre-law students are encouraged to consider Clayton State's bachelor's programs in English, Legal Studies, Integrative Studies or History and the minor program in Philosophy.

Pre-Medicine

Students wishing to prepare for medical school at the Medical College of Georgia or other institutions typically select the Biology (B.S.) or Chemistry (B.S.) major and should consult a professional advisor and career mentor.

Pre-Pharmacy

This concentration of study is designed for students who intend to transfer to another university pharmacy program; students should check with a Pre-Pharmacy advisor about the latest information on transfer programs.

Pre-Physical Therapy or Pre-Physician’s Assistant

Students wishing to prepare to enter a professional school of physical therapy or a physician's assistant program should select the Biology (B.S.) major and consult a Biology advisor in the Department of Biology.
Pre-Veterinary Medicine

Students wishing to enter a professional school of veterinary medicine should select the Pre-Veterinary Medicine track of the Biology (B.S.) major and consult a Biology advisor in the Department of Biology.

Bachelor of Applied Science in Homeland Security/Emergency Management

The Bachelor of Applied Science in Homeland Security/Emergency Management degree programs provides career education and training for individuals seeking to pursue careers and graduate degrees in the areas of Homeland Security and Emergency Management. This program also will provide the training and knowledge necessary to prepare individuals for positions of leadership and management in this emerging field of national importance.

The U.S. Department of Homeland Security has identified the following Federal agencies with missions directly related to national security and readiness for emergencies. These include the following: The United States Coast Guard, Customs and Border Protection, the Federal Emergency Management Agency, the Federal Law Enforcement Training Center, U.S. Citizenship and Immigration Services, U.S. Immigration and Customs Enforcement, the Federal Protective Service, the United State Secret Service, the Transportation Security Administration, the Management Directorate, the Sciences and Technology Directorate, the National Protection and Programs Directorate and the Office of Intelligence and Analysis. In addition, many major national and international corporations have developed security and emergency management divisions and operations that offer extensive employment opportunities.

BACHELOR OF APPLIED SCIENCE IN HOMELAND SECURITY AND EMERGENCY MANAGEMENT

DEGREE PROGRAM REQUIREMENTS

BAS Program Requirements:

1. Student must have minimum overall GPA (as defined by Banner) of 2.0 at time of application
2. The student must satisfy one of the three career course requirements prior to being admitted to BAS program:
   a. Must have an AAS or AAT (Career Associate Degree) from a regionally accredited college or university with 38 transferrable technical or career credit hours
      OR
   b. Must have at least 38 semester credit hours of professional/technical courses from a regionally accredited college or university with a grade of C or higher and 21 of these 38 hours must be in one professional/technical area. If the student has 30-37 professional/technical courses, he/she will need to take additional courses to satisfy the 38 hour requirement; the student’s advisor will recommend appropriate courses.
      OR
   c. Must have at least 12 semester credit hours of military courses from the U.S. Military. If the student has less than the 38 transferrable technical/career/military courses, he/she will need to take additional courses to satisfy the 38 hour requirement; these courses can be satisfied from a combination of additional
technical or career courses, military credit and/or lower division academic credit. The student’s advisor will recommend appropriate courses. Please note that students cannot use lower division academic courses to satisfy both the block credit (38 hours) and core curriculum (Areas A-F) requirements. Therefore, students may need to take additional courses to satisfy their core curriculum requirements.

Core Curriculum (Areas A - E) ......................................................................................... 42 hours
All Core Curriculum requirements for the BAS Homeland Security/Emergency Management degree are shown under Core Curriculum in the Graduation Requirements section of the Undergraduate Catalog.

Lower Division Career Courses ..................................................................................... 38 hours
Program specific courses are taken as part of the career associate degree at Clayton State University or another institution.
No grades of D in upper-division courses are allowed in the Homeland Security/Emergency Management major. Grades of D are also prohibited in certain lower-division courses that are used for upper division course exemptions (see notes regarding TECH 3111 and TECH 3112).
Upper-division courses are all courses other than those of Areas A through E of the core curriculum and Lower Division Career Courses. 1000- or 2000-level courses used in the upper division are included in this restriction.

* Students with credit for ECON 2105 and 2106 may exempt this course and take an additional upper division related elective. A grade of C or higher is necessary for both courses.
Admission Policy – Middle Grades Education

Students who plan to pursue a B.A. in Middle Grades Education will be designated as Pre-Middle Grades and must meet the following criteria before being admitted to the Middle Grades program. More information about the application is available at general information sessions. Contact the Department of Teacher Education about the dates for these information sessions.

1. Admission to Clayton State University. (Transfer students who meet the criteria below may simultaneously submit applications for the University and for teacher education program admission—two separate application forms.)
2. Met with an Arts and Sciences Academic Advisor.
3. Completion of at least 45 semester hours of college credit. Grades of A, B, C, or K in all applicable Area A-F courses. Students are required to complete all courses in Areas A-F before admission to program.
4. Grades of A, B, C, or K in all applicable Areas A-F courses.
5. A cumulative Institutional Grade Point Average of 2.50 or higher based on all last attempted coursework.
6. A cumulative Overall Grade Point Average of 2.50 or higher.
7. Grades of A, B, or C in EDUC 2110, EDUC 2120, and EDUC 2130.
8. Attendance at a general information session sponsored by the Clayton State University Department of Teacher Education.
9. Passing scores or exemption on the GACE Program Admission Assessment.
10. Submission of a one-page essay on why the applicant wants to be a teacher.
11. Completion of the Georgia Ethics Exam.
12. Attendance at a personal interview conducted by the Department of Teacher Education.
13. Once conditionally admitted into the Middle Grades Program, you will apply for a Pre-Service Certificate. This includes completing Personal Affirmation Questions, a signed notarized Verification of Lawful Presence (VLP) with supporting documentation for VLP, and a signature authorizing a criminal background check. The application will be submitted by the Teacher Education Department to the Georgia Professional Standards Commission where they will verify the documents and Georgia Crime Information Center will conduct a criminal record check. IN ORDER TO REMAIN IN OUR PROGRAM AT CLAYTON STATE AND GRADUATE WITH A DEGREE IN MIDDLE GRADES EDUCATION, YOU MUST BE ISSUED A PRE-SERVICE CERTIFICATE. If application for a Pre-Service Certificate is denied, you must withdraw from our program.

In order for a student to be eligible to begin and continue taking upper-division Teacher Education courses the following requirements must be met:

1. Written notification of program acceptance. (Meeting minimum admission standards does not guarantee acceptance.)
2. Middle Grades Education Candidates who select a teaching concentration in mathematics, must earn a grade of “C” or better in MATH 1113 (pre-calculus) and MATH 1231 (statistics) before declaring mathematics as a teaching concentration. Passage of both MATH 1111 and MATH 1112 with a grade of “C” or better will be accepted as a substitute for MATH 1113.
3. Minimum competence in microcomputer applications as required by the Clayton State Notebook Computer Policy (refer to policy in this Clayton State University Catalog).
4. Signing of an affidavit to show compliance with Professional Standards Commission Standard II.A. (G10): "The education unit/program shall provide information to each candidate about professional ethical standards, background check, and clearance for certification and employment; and ensure that candidates admitted to the program are persons whose social and ethical behavior is acceptable as an educator." The affidavit form is provided upon formal notification of admission to the B.A. program. Teacher candidates must provide evidence of liability insurance and successful background check clearance prior to participation in specific field-based or clinical experiences.

APPLICATION PROCEDURES

1. Applicants who meet the criteria explained above should submit an application form and supporting documentation to the Clayton State University Department of Teacher Education. (Application forms are available from the Department of Teacher Education.)

2. The application deadline for Teacher Education programs is posted in the Department of Teacher Education. (The deadline period is called an admission cycle.)

3. All complete and eligible applications received by the published deadlines will be admitted in the program for the appropriate semester. Complete applications must include all required documentation.

4. Applicants not admitted during a given admission cycle and individuals who fall below minimum standards after notification of admission may, upon written request to the Department of Teacher Education, have their applications reconsidered during the next admission cycle. Reconsideration is not automatic; written request is required, and additional information may be submitted.

5. Applicants may submit their applications for Fall Semester admission by or before the last Friday in May. Applicants selected for admission during each admission cycle will be notified in writing. The admission notice will indicate a date by which the individual must formally accept or decline admission; those who fail to respond within the allotted time will have their admission offers revoked, and their spaces will be allotted to other eligible applicants. Candidates admitted into the B.A. program will be assigned to an advisor in education for the junior and senior years.

6. A maximum of 21 semester hours of upper division transfer credit may be applied to the B.A. in middle Grades teacher education at Clayton State University. The following courses must be taken at Clayton State University: LART 3010, SCI 3110, HIST 3110, EDUC 3000, 3001, 3010, 3100, 3350, 4001, 4002, 4040, 4710, 4712, and 4720. The Department of Teacher Education will evaluate equivalencies for other courses in the Middle Grades Education program. Every effort will be made to accept credit that is reasonably equivalent to Clayton State University courses. However, the University reserves the right to request additional documentation and/or to require specific site-based experiences or directed readings to validate credit and/or to meet certification requirements. Applicants will be notified in writing of such requirements.
Department of Visual and Performing Arts

Bachelor of Arts in Music

The Bachelor of Arts in Music is a 120-credit program that allows students to study music in the context of a liberal arts education. The Clayton State Division of Music is an accredited institutional member of the National Association of Schools of Music. Its mission is to provide:

- Professional preparation for performers, educators, scholars, and creators
- Broad-based liberal arts education in music
- Service to the university and the public through performance and community engagement

Music Outcomes

1. Hear, identify and manipulate with fluency in sound and notation the elements of music such as rhythm, melody, harmony, structure, timbre, and texture
2. Demonstrate proficiency in solo and collaborative performance including technical competency, sight-reading, interpretive skill and artistic self-expression
3. Think, speak and write clearly and effectively about music
4. Develop teaching and coaching skills appropriate to the performance medium

HONOR SOCIETIES AND CLUBS

Several honor societies, clubs, and service organizations are designed to support, augment, and supplement the educational and professional development of music students, including Mu Phi Epsilon (Coeducational Professional Music Fraternity) and the National Association for Music Education (NAfME Collegiate).

ADMISSION

Students who wish to major in Music must successfully audition for members of the faculty. Information about music auditions is available from the office of the Department of Visual and Performing Arts and on the Department’s webpage. In addition, students must pass a Sophomore Barrier before enrolling in certain 3000- or 4000-level music courses.

ADMISSION AND READMISSION REQUIREMENTS INTO THE MUSIC EDUCATION CERTIFICATION PROGRAM

Students must meet the following criteria before submitting their applications for admission into the teacher education certification program. Contact the Division of Music or the Department of Teacher Education for more information or an application.

1. Admission to Clayton State University. (Transfer students who meet the criteria below may simultaneously submit applications for the University and for teacher education program admission—two separate application forms.)
2. Completion of at least 45 semester hours of college credit (minimum requirement to submit application). Students are required to complete all Area F courses, MUSC 2900, and MUSC 2301.
3. Grades of A, B, C, or K in all applicable Areas A-F courses. Students must have a grade of C or better in ALL courses required for the degree.
4. A cumulative Institutional Grade Point Average of 2.50.
   a. A Program Grade Point Average of 2.50 based upon all coursework last attempted in Areas A-F.
b. Successful completion of MUSC 2900 with a grade of C or better with documentation of 35 field experience hours.
c. Successful completion of MUSC 2301 with a grade of C or better.

In order for a student to be eligible to begin taking upper-division courses in teacher education, the following requirements must be met:

1. Written notification of program acceptance. (Meeting minimum admission standards does not guarantee acceptance.)
2. Completion of all Area F courses and a minimum of 24 hours in Areas A-E of the Core Curriculum and MUSC 2900 and MUSC 2301 with grades of A, B, C, or K.
3. Maintenance of the 2.50 or better Program Grade Point Average as explained above and a 2.5 or better institutional Grade Point Average.
4. Submit a one-page essay on why you want to be a music teacher.
5. Successful completion of Sophomore Barrier – Music Education
6. Documentation of teaching observations (this is satisfied in EDUC 2110, 2120, or 2130 at CSU)
7. Completion of the GACE Basic Skills Assessment. The Georgia Professional Standards Commission (GPSC) has adopted the following policy: "Students will be required to pass all sections (reading, writing, and mathematics) of an academic skills test prior to entry into the preparation program for their initial educator certificate as of July 1, 1997." The assessment is GACE Basic Skills Assessment, developed and administered by National Evaluations Systems, Inc. (NES). Contact the Department of Teacher Education for further information. (Note: Testing requirements will be updated in accordance with GPSC regulations.)
8. Signing of an affidavit to show compliance with Professional Standards Commission Standard II.A. (G10): "The education unit/program shall provide information to each candidate about professional ethical standards, background check, and clearance for certification and employment; and ensure that candidates admitted to the program are persons whose social and ethical behavior is acceptable as an educator." The affidavit form is provided upon formal notification of admission to the B.A. or B.M. program.
9. A background check. (Conducted by Clayton State Public Safety. A $10.00 processing fee is required and will be at the expense of the applicant.)
10. Provide evidence of liability insurance and successful background check clearance prior to participation in specific field-based or clinical experiences when required.

APPLICATION PROCEDURES (Music Education Certification Program)

1. Applicants who meet the criteria explained above should submit a teacher education certification application form and supporting documentation to the Clayton State University Director of Music Education or the Department of Teacher Education. (Application forms are available from the Division of Music Handbook and the Department of Teacher Education.)
2. The application deadline for Teacher Education programs is posted in the Department of Teacher Education. (The deadline period is called an admission cycle.)
3. All complete and eligible applications received by the published deadlines will be considered for the available positions in the programs for the appropriate semester. (Complete applications must include all required documentation. The date that an application is completed is not a factor in the admission decision process for applications received by the deadline.)
4. Applicants not admitted during a given admission cycle and individuals who fall below minimum standards after notification of admission may, upon written request to the Department of Teacher Education, have their applications reconsidered during the next admission cycle. Reconsideration is not automatic; written request is required, and additional information may be submitted.

5. Applicants may submit their applications for Fall Semester admission between April 1 and the last Friday in May. Any applications received after the May deadline will be placed on a waiting list in the event a slot in the programs becomes available. Applicants may submit their applications for Spring Semester admission between September 1 and the last Friday in October. Any applications received after the October deadline will be placed on a waiting list in the event a slot in the programs becomes available.

6. Applicants selected for admission during each admission cycle will be notified in writing. The admission notice will indicate a date by which the individual must formally accept or decline admission; those who fail to respond within the allotted time will have their admission offers revoked, and their spaces will be allotted to other eligible applicants.

**Satisfactory Academic Progress Requirements**

General University policies on good standing and academic and disciplinary probation and suspension apply to the teacher education programs (except that for teacher education the standard is a 2.50 cumulative Program GPA on the last attempt of courses taken to meet program requirements, and a cumulative Institutional GPA of 2.50 rather than a 2.00 Institutional GPA). Due to the sensitive nature of working with children and youth in authentic school settings, the following additional standard applies: Any faculty member or administrator of the University and/or a cooperating school system may immediately remove a candidate from an on-site setting if, in that person's professional judgment, the candidate has acted in an inappropriate manner involving children or youth. The Coordinator for Educational Field Experiences and/or the Department Head for Teacher Education/Director of Professional Education Programs will investigate the case in an expeditious manner. The department head will issue a written ruling to the candidate with copies to the Dean of Arts and Sciences and the Provost/Vice President for Academic Affairs. Depending on the circumstances, the ruling may include exoneration, admonishment, probation, suspension of reasonable duration, or dismissal. Appeals may be initiated according to established University Academic Appeal policy.

**Student Teaching/Senior Internship**

In order to be placed in the student teaching/senior year internship, which begins during the first week or pre-planning week at the end of July or beginning of August, depending on the school year calendars of the six partnership school districts, candidates must have in place the following:

1. A cumulative Program GPA of 2.50 or higher.
2. A cumulative Institutional GPA of 2.50 or higher.
3. Completion of each course in the program sequence with a grade of C or higher (or K).
4. Endorsement of the junior year by the Professional Education Programs Committee (PEPC).
5. Passage of an updated background check.
6. Renewal of liability insurance coverage.

Course overloads will not be permitted during enrollment in the full-time student teaching/senior internship. The student may only be enrolled in student teaching/senior internship
TEACHER CERTIFICATION

In Georgia, to receive certification to teach, individuals must document having met criteria endorsed by the Georgia Professional Standards Commission, including successful completion of the GACE Content Assessment(s). Fingerprinting and FBI background checks are required for professional employment in Georgia public schools. An applicant for certification in Georgia must comply with the ethical standards of the profession. Additional information and Georgia certification applications are available online at www.gapsc.com. The Department of Teacher Education will assist students in submitting proper documentation to the Georgia Professional Standards Commission.

Master of Arts in Liberal Studies

MASTER OF ARTS IN LIBERAL STUDIES DEGREE PROGRAM REQUIREMENTS

Each student will complete thirty-six (36) semester hours of MALS course work with a minimum grade point average of 3.0. At least twenty-seven (27) of these credits must be taken at Clayton State University. In their first semester, students should take the required Introduction to Graduate Studies course (3 hours). Also, in this and subsequent semesters, additional foundational seminars (9 hours) will provide students with a selected background in Art, Literature, Music, Philosophy, and Political/Historical Thought. Each student will also select an academic area of focus or concentration (18 hours). Students may select from one of five concentration areas in this degree program: Liberal Arts (ART, CMS, PHIL, SOCI, THEA), English, History, Mathematics, or Public Administration. Students have two options (6 hours) in completing the program: Capstone Thesis Option or Capstone Non-Thesis Option.

Foundational Seminars ................................................................................................................. 12 hours
MALS 5000 Introduction to Graduate Studies ............................................................................. 3 hours
Choose 3 of the following courses*:

Capstone Experience ......................................................................................... 6 hours

Non-Thesis Option (select one or both of the following courses) .................... 6 hours
MALS 6890 Non-Thesis Professional Paper Research & Preparation ............. 1 – 3 hours
MALS 6899 Non-Thesis Comprehensive Exam ............................................. 1 – 6 hours

The Non-Thesis option is available to candidates in all tracks. Candidates who choose this option must take two additional courses from any of the areas of concentration and must also either: a) present a paper at a state, regional, national or international academic conference or b) have an article accepted for publication in a peer-reviewed journal. Students selecting this option must also pass a comprehensive exam of major coursework prepared by a committee comprised of at least three MALS faculty.

Thesis Option .................................................................................................. 6 hours
MALS 6995 Master’s Thesis Research ............................................................... 3 hours
MALS 6999 Master’s Thesis Preparation........................................................... 1 - 3 hours

Students who have completed all their course work in the areas of Foundational Seminars and at least fifteen hours in their Academic Concentration may select the capstone thesis option to fulfill the requirements for their degree. Students work under the supervision of three faculty advisors (from at least two different academic disciplines, one of whom must be designated the Thesis Chair), and may begin work on the thesis project only after a capstone thesis proposal has been formally approved. The thesis may take the form of academic or applied research, or it may be a creative work. The capstone thesis must be of a nature to warrant six hours of graduate credit. In general, the projects should yield a written piece of work, although products such as artistic/musical creations also may be acceptable.

Second Master of Arts in Liberal Studies Requirements

Students may pursue a second Master of Arts in Liberal Studies degree program in a different concentration. The following policies and procedures must be followed:

- Students must meet normal admission requirements for the second degree program.
- Students must complete 36 hours of degree requirements for the second degree.
- Course and resident credit used to satisfy the requirements of one Clayton State degree cannot be used to satisfy the requirements of another degree.
- A maximum of 9 graduate credits from an accredited institution, including Clayton State, can be applied toward the requirements for a second Master's degree as long as:
  - those credits were taken within 6 years of admission to the second degree program
  - the courses are recommended by the student's advisor, and
  - a first Master's degree has been completed before admission to a second Master's degree.
• Only transfer credits of a B or above will be considered, and no Pass/Fail credits will be accepted. Transfer credit must be contained on an official transcript from an accredited degree granting institution. See Policy on Transfer Credit at the Master’s Level in the Academic Policies section of the catalog.

• Students must complete a minimum of 24 credits in courses other than the capstone courses in the approved program of study. See Residency Requirement in the Graduation Requirements section of the catalog.

• Specialization in the second master's degree must be different from that of the first master's degree. No courses within that specialization can duplicate courses in the first master's degree.

• Any specific requirements (Comprehensive Exams or Thesis Courses) must be completed as part of the second program.

• PLEASE NOTE: Students will have to request a course substitution to ensure all coursework for the second master’s degree is 36 hours of distinctly different coursework from the first master’s degree.

GOALS AND OUTCOMES
The Master of Business Administration (MBA) program at Clayton State University is designed for working professionals who are seeking to move their careers to the next level and beyond. It is a fast-track 12-month program designed for busy executives whose time is already at a premium. Classes meet weeknights one night per week or online during fall, spring and summer terms. Online course components are utilized to strengthen students' technology skills and to help students use their time effectively.

The curriculum is rigorous and designed to:

- Prepare graduates to operate successfully and lead organizations in a business environment that is global and rapidly changing,
- Prepare students for professional management careers by increasing their communication skills, broadening their appreciation of diverse cultures, improving their decision making, and reinforcing their ability to apply knowledge and skills in problem solving,
- Produce graduates who will develop a better understanding of the importance of ethical business behavior and corporate social responsibility

All students enrolled in the program will complete a minimum of 33 credit hours. Eight core courses will be required and three courses will be in the concentration of their choice. The concentrations include Accounting, General Business, Human Resource Leadership, International Business, and Supply Chain Management.
All students enrolled in the program are required to complete a minimum of 33 semester credit hours with no elective courses.

Outcomes for the MBA program are as follows:
- graduates will demonstrate knowledge of logistics, accounting, marketing, economics, organizational behavior, finance, production, international and managerial issues and strategy;
- graduates will demonstrate leadership ability and team building skills;
- graduates will be able to manage successfully in a rapidly changing global business environment;
- graduates will be able to identify and manage ethical issues and multicultural diversity
- graduates will demonstrate appropriate oral and written communication skills
- graduates will demonstrate the ability to evaluate the business environment, then choose and utilize the quantitative or decision making technique that is appropriate for the given situation

The curriculum is designed to challenge students and to open minds to new ways of thinking about business issues. Courses include lectures, case discussions, current business issues, and team projects. Students take two courses a semester, including summer.

**Admission Requirements**

General Requirements for Admissions:
Admission into the program is based on several factors to ensure a talented and diverse student body. These factors are:
- Completed online application to the School of Graduate Studies
- Bachelor’s degree with a minimum graduating institutional 3.0 GPA from an accredited College or University (as verified by official transcript)
- Essay of purpose and graduate school interest
- Three (3) professional references listed with contact information

OR

- Completed online application to the School of Graduate Studies
- Bachelor’s degree with a minimum graduating institutional 2.75 GPA from an accredited College or University (as verified by official transcript)
- An interview conducted by Clayton State MBA (interview may be on campus or remote via tele-conference)
- Essay of purpose and graduate school interest
- Three (3) professional references listed with contact information

OR

- Completed online application to the School of Graduate Studies
- Bachelor’s degree with a minimum graduating institutional 2.75 GPA from an accredited College or University (as verified by official transcript)
- Professional resume demonstrating 3 years of professional/managerial work experience
- Essay of purpose and graduate school interest
- Three (3) professional references listed with contact information
OR

- Completed online application to the School of Graduate Studies
- Bachelor’s degree with graduating institutional 2.00 – 2.74 GPA from an accredited College or University (as verified by official transcript)
- A minimum of 1000 total score based on GPA X 200 plus GMAT (GRE) score
- Essay of purpose and graduate school interest
- Three (3) professional references listed with contact information

Above age 62 Acceptance requirement:

- Completed online application to the School of Graduate Studies
- Bachelor’s degree from an accredited College or University (as verified by official transcript)
- A minimum of 10 years of business ownership or 10 years of executive level management experience
- Essay of purpose and graduate school interest
- Three (3) professional references listed with contact information

International Students:

- Applicants whose native language is not English or whose language of college instruction was not English are required to submit English Language proficiency scores from either the Test of English as a Foreign Language (TOEFL) or the International English Language Testing System (IELTS). The minimum score for the Internet Based TOEFL is 79-80. The minimum IELTS total for the 6.
- Academic credentials must be original documents with authorized signatures, seals, stamps, and must be evaluated by a credential evaluating organization. The School of Graduate Studies accepts evaluations that are prepared by either Josef Silney and Associates or World Education Services.

Academic Policies

Progress: It is expected that a student will need no more than 20 months to complete the MBA degree.

To receive a Master of Business Administration graduate degree from Clayton State University, a student usually completes all 33 semester hours of the program requirements from Clayton State University. All semester hours in the MBA program at CSU must be completed after the student has been admitted to the degree program. Transfer of graduate credit is generally not accepted, although a maximum of six transfer credit from an AACSB accredited institution may be considered on an individual basis.

Students accepted into a program who do not attend classes for over one year must apply for readmission into the degree program at both the School of Graduate Studies and the College of Business Administration level and begin a new planned program of study. Transfer course credit over five years old will not be accepted in the program. Other previous course work will be evaluated on the basis of its applicability to the new program of study. To remain a student in good standing, students must maintain a 3.0 GPA.

Withdrawals

Withdrawals are subject to approval by the Director of the MBA program. Students who simply stop attending classes in any course without officially withdrawing will be assigned failing grades.
Any student who desires to withdraw from the University should contact the MBA Program Director. Following an exit interview, the student will be issued a copy of the withdrawal form and the Program Director will process the paperwork with the necessary University offices.

**Enforced Withdrawal from the University**
A student who fails to comply with the conditions stated for provisional admission may be denied continuation in the program and the School of Graduate Studies.

**Course Load**
Six semester hours will be required of all MBA students who seek to use financial aid in the spring, summer, and fall semesters. Students can register for up to four classes in Spring and Fall (two classes in each 8-week session) and three classes in Summer.

**Change of Schedule**
A student’s schedule may be changed subject only to the approval of the MBA Program Director. (Note: University policy is stated below.) The procedure is as follows:

1. The student obtains a drop/add request form from the respective school to add a course, drop a course, or to add and drop.
2. After the appropriate signatures have been obtained, the student makes the change using regular CSU student guidelines for adds and drops.

### Required Capstone Project: Professional Paper (minimum of 4 hours) ......................... 4-6 hours
- **PSYC 6890**, Professional Paper (variable credit for up to 6 hours) ......................... 4-6 hours
- **PSYC 6899**, Professional Paper Completion (variable credit for up to 6 hours) .......... 1-6 hours

The professional paper in Clinical/Counseling psychology involves a theoretically-driven conceptualization and critical investigation of a clinical case study. The written product resulting from this effort is a professionally written manuscript providing a literature review and a comprehensive discussion of a selected case study. Following successful production of the written manuscript, students are required to successfully present their product to their Professional Paper team.

### Required Comprehensive Exam
- **PSYC 6900**, Clinical Comprehensive Exam ................................................................. 0 hours

The Clinical/Counseling program administers the Counselor Preparation Comprehensive Exam (CPCE) to assess students’ knowledge gained from matriculation in the program. The exam will be administered twice annually, spring and summer semesters. Eligible students take the exam at the first available testing date after becoming eligible. The exam covers the following areas: Human Growth and Development, Social and Cultural Diversity, Helping Relationship, Group Work, Career Development, Assessment, Research and Program Evaluation, Professional Orientation and Ethical Practice, and Psychopathology. All Clinical/Counseling students are required to successfully pass the comprehensive exam.

### Total Program Requirements .............................................................................................. 61-63 hours
COURSES

Courses listed in this section were omitted from the 2018-2019 Academic Catalog.

Undergraduate Level Courses

Chemistry (CHEM)

CHEM 4700, CHEM 4701, 4702 – Special Topics in Chemistry (V-V-{1-3})
Selected advanced topics of current interest in chemistry. This course will be offered as fits the needs and interests of the students and faculty. Course may be repeated for credit if topics are different. Prerequisite(s): CHEM 1212 with a grade of C or higher and consent of the head of the department of Natural Sciences.

Film (FILM)

FILM 3700, 3701, 3702, 3703 Great Directors (3-0-3)
This revolving topics course analyzes and discusses historically important films by great international directors. It considers the role of the director in the creation of excellent films: personal "auteurist" styles, cinematic strategies, and typical themes. May be repeated when topics vary up to four times without departmental approval. Prerequisite(s): CMS 2100; FILM 2700

Graduate Level Courses

Accounting (ACCT)

ACCT 5120 – Special Topics in Accounting
Selected advanced topics in current accounting trends. This course will be offered as it fits the needs and interests of the students and faculty. Course may be repeated if topics are different.

Business (BUSA)

BUSA 5120 – Special Topics in Business
Selected advanced topics in current accounting trends. This course will be offered as it fits the needs and interests of the students and faculty. Course may be repeated if topics are different.

English (ENGL)

ENGL 5114 – Literature of the Adolescent Experience
This course emphasizes thematic connections between contemporary adolescent literature and traditional literature from various literary perspectives. Course topics for study will include application of literary theory representation of adolescence in diverse cultural contexts, and
connections to middle and secondary English classrooms. This course is recommended for English majors in the teaching certification program.

**ENGL 5120 – 19th Century American Literature and Culture**
A graduate-level survey of early modern English literature and literary culture, ca. 1500-1700. Typical areas of emphasis will include significant literary movements within the era, major authors, and/or attention to a specific genre. Course content will include some attention to historical context, research methods, and applied critical theory.

**ENGL 5130 – Studies in Southern Literature**
An expansive course focusing on the major movements, issues, or themes in the study of nineteenth and twentieth century Southern American literature. Topics may include nineteenth century slave narratives, the Southern Renaissance, Southern fiction since 1945, Civil Rights literature, poetry, and/or major authors.

**ENGL 5250 – 19th Century British Literature**
A graduate-level survey of nineteenth century British literature and literary culture, ca. 1780-1900. Typical areas of emphasis will include significant literary movements within the era, major authors, and/or attention to a specific genre. Course content will include some attention to historical context, research methods, and applied critical theory.

---

**Management (MGMT)**

**MGMT 5120 – Special Topics in Management**
Selected advanced topics in current Management trends. This course will be offered as it fits the needs and interests of the student and faculty. Course may be repeated for credit if topics are different.

---

**Marketing (MKTG)**

**MKTG 5120 – Special Topics in Marketing**
Selected advanced topics in current Marketing trends. This course will be offered as it fits the needs and interests of the student and faculty. Course may be repeated for credit if topics are different.
GRADUATION REQUIREMENTS

Core Curriculum

General Education Learning Outcomes:

Goal A1 (Written Communications)
Students will write effective expository and argumentative essays which consider purpose and audience.

Goal A2 (Quantitative)
Students will apply mathematical knowledge to interpret quantitative information using verbal, numerical, graphical, and symbolic forms.

Goal B (Institutional Foundations)
1. Students will effectively evaluate arguments, considering opposing points of view when appropriate.
2. Students will construct effective inductive and valid deductive arguments and determine to what extent such arguments justify their conclusions.

Goal C (Humanities or Fine Arts)
Students will demonstrate the ability to communicate critically on cultural concepts, artifacts or expressions in either English or a foreign language.

Goal D (Natural Sciences, Mathematics or Technology)
Students will apply scientific reasoning or mathematical methods to demonstrate scientific knowledge or to solve problems.

Goal E (Social Sciences)
Students will examine and apply concepts of social identity and individual differences, such as ethnicity, race, gender, age, class, ability or sexual orientation.

Guidelines for the Core Curriculum (Areas A – E) are established by the University System of Georgia in order to ensure a solid general education foundation for all graduates. Courses taken within the Core are guaranteed to transfer within the University System in accordance with guidelines. To a great extent, Areas A-E of the Core are “major free,” meaning that they will apply regardless of major; however, certain majors do have specific mathematics, science, and other requirements in Areas A-E. All baccalaureate degree graduates and all A.A. and A.S. degree graduates must complete Areas A-E of the Core Curriculum, as specified below. Students should check with their degree program requirements for information on the minimum passing grade necessary. The areas of the Core and courses that can satisfy area requirements are as follows:

AREA

A. Essential Skills................................................................................................................................................. 9 hours

A1. Two Composition Courses
   ENGL 1101 English Composition I
   ENGL 1102 English Composition II

A2. Non-Science/Math Majors
   One Mathematics Course from Among
   MATH 1101 Mathematical Modeling
   MATH 1111 College Algebra
   MATH 1112 Trigonometry & Analytical Geometry

*
MATH 1113    Precalculus
MATH 1241    Survey of Calculus
MATH 1501    Calculus I

A2. Science/Math Majors

One Mathematics Course from Among
MATH 1112    Trigonometry & Analytical Geometry*
MATH 1113    Precalculus
MATH 1501    Calculus I

*Only the three credit MATH 1112 can be used by science majors in Area A2 and only if the student has a grade of C or better in MATH 1111.

**Science/Math majors who do not place into MATH 1112 or MATH 1113 are required to take an appropriate MATH pre-requisite sequence prior to scheduling MATH 1112 or MATH 1113.

B. Critical Thinking and Communication

B1. One Critical Thinking Course
CRIT 1101    Critical Thinking

B2. One or Two Foreign Language or Communication Courses from Among

D. Natural Sciences, Mathematics and Technology

D1. Science (Non-Science Majors) ................................................................. 7 hours

*With the exception of BIOL 1108/L, the second courses in the same discipline sequence require the first as a prerequisite.

Students may not receive credit for both the first Principles course and the other first course in the same discipline (i.e. taking BIOL 1107/L and BIOL 1111/L is not permitted). This rule also applies to the second courses (i.e. taking PHYS 1112/L and PHYS 2212/L is not permitted).

D1. Science (Health Professions Majors) ...................................................... 8 hours

Health Professions majors must satisfactorily complete a two-semester science course and laboratory sequence from the following:

BIOL 1107/L Principles of Biology I
BIOL 1108/L Principles of Biology II
OR
CHEM 1151/L Survey of Chemistry I
CHEM 1152/L Survey of Chemistry II
OR
CHEM 1211/L Principles of Chemistry I
CHEM 1212/L Principles of Chemistry II
OR
PHYS 1111/L Introductory Physics I
PHYS 1112/L Introductory Physics II
or
CHEM 1211/L Principles of Chemistry I
CHEM 1212/L Principles of Chemistry II
OR
PHYS 1111/L Introductory Physics I
PHYS 1112/L Introductory Physics II
OR
PHYS 2211/L Principles of Physics I
PHYS 2212/L Principles of Physics II

D1. Science (Science Majors) ........................................................................................................... 8 hours
Science majors must satisfactorily complete a two three-hour science courses and their accompanying one-hour laboratory courses from the following.
BIOL 1107/L Principles of Biology I
BIOL 1108/L Principles of Biology II
CHEM 1211/L Principles of Chemistry I
CHEM 1212/L Principles of Chemistry II*
PHYS 2211/L Principles of Physics I**
PHYS 2212/L Principles of Physics II*,**
*With the exception of BIOL 1108/L, the second courses in a discipline require the first as a prerequisite.
** Biology majors are required to complete a physics sequence (PHYS 1111/L and 1112/L OR PHYS 221/L and PHYS 2212/L) in their upper division requirements; therefore, they cannot apply calculus-based Physics (PHYS 221/L and PHYS 2212/L) in area D1 and PHYS 1111/L and PHYS 1112/L in their upper division requirement.

D2. Science, Math or Technology (Non-science Majors) ...................................................... 3 hours
All students must complete an additional three hours in Area D2 from the following courses:
CSCI 1300 Computational Thinking and Coding
CSCI 1301 Computer Science I
ENVS 2022 Environmental Science I
GEOL 1011/L Introductory Geosciences
MATH 1112 Trigonometry and Analytic Geometry**
MATH 1221 Finite Mathematics
MATH 1231 Introductory Statistics
MATH 1241 Survey of Calculus
MATH 1113 Pre-calculus
MATH 1501 Calculus I
MATH 2502 Calculus II
SCI 1901 Selected Topics in Science
* Only the three credit MATH 1112 can be used by non-science majors in Area D2.
Students selecting MATH 1501 or MATH 2502 will count three hours in Area D2 and one hour in Area F or in their degree requirements. Some majors have specific D2 requirements. Students should consult with their advisors for details.

D2. Science, Math or Technology (Science majors) ................................................................. 3 hours
All students must complete an additional three hours in Area D2 from the following courses:
CSCI 1301 Computer Science I
MATH 1231 Introductory Statistics*
MATH 1501 Calculus I**
MATH 2502 Calculus II**
* Students selecting MATH 1501 or MATH 2502 will count three hours in Area D2 and one hour in Area F or for their specific upper division degree requirements.

RULES AND REGULATIONS

Undergraduate Specific Rules and Regulations

Course Overload

Students may schedule up to 18 hours per semester (13 in Summer) without special permission. A student who wishes to accelerate his or her study by taking more than 18 hours (or 13 in Summer) up to a maximum of 24 hours in a semester must meet with their advisor and have a written overload request approved by the department chair or designee of the academic major. A student must have been at Clayton State University for at least two semesters and have achieved an overall B average before an overload will be approved, although the department chair or designee may make exceptions in special circumstances.

Graduate Specific Rules and Regulations

Course Repeat Policy

A graduate student can repeat a course and earn a satisfactory grade. All course attempts are recorded on the transcript, but only the most recent attempt for credit will count toward fulfillment of the graduate degree program and be included in the institutional GPA. This policy provides an opportunity for a student to raise their GPA by re-taking a course and earning a higher grade, but students must be aware that the most recent grade will count even if it is lower. Courses in which a grade that is less than C (i.e., D, F, WF, or U) is earned will not count toward the fulfillment of the respective degree requirements. With the exception of a grade of U, grades less than C will also count for GPA calculation purposes. Courses in which grades of D, F, WF, and U are earned must be repeated.

Academic Standing

Graduate students are expected to maintain Good Academic Standing throughout their matriculation in their graduate program. Good Academic Standing at Clayton State University is defined as a minimum institutional graduate GPA of 3.0.

Academic Probation

Students whose institutional GPA falls below the minimum acceptable GPA of 3.0 are placed on Academic Probation. Students on Academic Probation are restricted to taking 6 credit hours or less for a minimum of one semester and until the institutional GPA is raised to a minimum of 3.0. Students on Probation must contact their Graduate Program Director to receive information and assistance on their continuation in graduate study. In addition, students on probation, especially
those on probation for the first time, may be required to develop a remediation plan for continuing in graduate school. International students who fall below a GPA of 3.0 risk losing their F-1 or J-1 active immigration status.

Students who are on Academic Probation who earn a term GPA of 3.0 or higher and raises his or her institutional GPA to a 3.0 or higher will return to Good Academic Standing.

Students who are on Academic Probation whose term GPA is 3.0 or higher, but whose institutional GPA remains below 3.0, will remain on Academic Probation.

Students who are on Academic Probation who earn a term GPA below 3.0 while on Academic Probation, regardless of the institutional GPA, will be excluded for one term (Academic Suspension (see below).

**Academic Suspension**

Students who are on Academic Probation and earn a term GPA that is below 3.0 are placed on Academic Suspension. Academic Suspension bars students from enrolling for one semester. Students who are suspended are required to develop a concrete plan for academic success in consultation with their Graduate Program Director/Coordinator. Reinstatement is not automatic. To be reinstated a student must submit (1) a letter requesting reinstatement; and, (2) a remediation plan for future academic success to the School of Graduate Studies four weeks prior to the start of the semester in which they wish to resume coursework. Students who are reinstated will be on Academic Probation, will be restricted to 6 credit hours, and must continue to maintain a minimum term GPA of 3.0 until they achieve Good Academic Standing. For those reinstated, in consultation with their Graduate Program Director/Coordinator, the Dean of the School of Graduate Studies may impose additional restrictions such as, students may be required to enroll in specific courses, and/or participate in structured academic support programs.

**Academic Dismissal**

Students will be dismissed from graduate study when their institutional is below 3.0 for two consecutive terms of enrollment. Students will also be dismissed from graduate study if their term GPA is below 3.0 following reinstatement from Academic Suspension.
