

Exam Schedule - Fall 2017

Final examinations are held at the end of each semester in accordance with the published scheduling matrix.

The matrix is a grid of predetermined exam times for those classes that meet at standard meeting times during the semester. The day and time of **the first-class meeting** during the week determines the date and time for each exam. Final exams for courses that meet outside the standard University meeting matrix will be scheduled within the time block that best fits the exam schedule without creating conflicts for students.

Exam times are as follows:

- 8:00 a.m. to 11:00 a.m.
- 10:15 a.m. to 12:15 p.m.
- 12:30 p.m. to 2:30 p.m.
- 2:45 p.m. to 4:45 p.m.
- 5:00 p.m. to 7:00 p.m.
- 7:15 p.m. to 9:15 p.m.
- 9:30 p.m. to 11:30 p.m.

While exam blocks are 2 hours long, the actual length of the exam is determined by the instructor.

This exam schedule only includes times for those courses following the standard scheduling matrix.
