LaToria Chanel Wofford: I feel accomplished and I am honored to be a part of Clayton State University's MBA Program. I am able to take what I learned in class and apply it to the workplace.

Master of Health Administration

Kenneth E. Burnett: The Masters of Health Administration program in the School of Business at Clayton State University has been a rewarding and stimulating experience. The faculty was absolutely amazing, their diverse experience and knowledge made class a gratifying and enjoyable experience. I would like to give a special thanks to – Dr. Michael Dalmat, Dr. Peter Fitzpatrick, Dr. Scott Stegal, Dr. Tom Mcilwain and of course Dr. Weinberg who will be dearly missed. Each and every one of them was instrumental in preparing me for my future in healthcare!

Julie Powell-Crawford: The educational journey at Clayton State University has been amazing and challenging. Thanks to God, my family, professors and classmates for providing the inspiration and knowledge. I am a better person professionally and personally.

Jimmy R. Evans, Jr.: The ability to obtain a masters of health administration degree over the weekends and evenings classes is absolutely great. My experience has been that the staff works hard to accommodate the schedules of nontraditional students.

Christina Marie Fox: The teachers in the MHA program at Clayton State University are great mentors that students are able to depend on and seek to for advice.
Jacqueline Marie Holliday

April Michelle Jackson: Clayton State University's graduate program has impacted my life tremendously. It's given me a sense of fulfillment and eagerness to grow in the profession. I'm enthused about adding my new knowledge to the health industry.

Janice Marie Price-Law: Obtaining my Masters represents a reward for returning to school as a mature student to complete my Bachelor's degree. I am both humbled and honored by the opportunity to further my studies.

Master of Science in Nursing

Phyllis K. Pruiksmā: "To God be the Glory!" Completing my MSN is a fulfillment of a personal and professional goal. I am very thankful to Dr. Susan Sanner who believed in me and encouraged me to pursue my MSN dream. A special thanks to my wonderful husband Bob who has been so lovingly supportive during this journey.
