- See Academic Catalog for academic policies, pre-requisites, co-requisites, residency and graduation requirements and university policies.
- This is a suggested plan for full-time students. Students who work 40 or more hours are NOT encouraged to follow this plan and should consult with an advisor for curriculum planning.
- All courses in Area F plus major courses require a grade C or higher to count toward graduation. Other courses requiring a grade C or higher include ENGL 1101, ENGL 1102, MATH 1101 or 1111, and MATH 1231.
- ALL students must complete Areas A-F before starting their major courses.
- All students are required to complete a 225-hour internship during their final semester of enrollment.
- Math course sequencing is based upon a student's math placement scores.
- CSU 1000 does not count graduation requirements.
- (*) See curriculum worksheet for additional course options.
