

Clayton State University
Film and Digital Media Certificate Application Form

Thank you for your interest in our Film and Digital Media Certificate program. To be considered for admission, please fill in the information below and include it with the other required materials.

We have three certification tracks: **Writing for Film and Digital Media**, **Film and Digital Media Production** and **Film and Digital Media Post-Production**. You can choose more than one track at a time. However, we do not recommend taking more than two track courses at one time due to the workload. Each track will be an additional fee.

This program is designed for people who want to begin or further their careers as filmmakers. However, no prior film experience is necessary. An interview may be required for entry into the program, based on demand.
