I am an international student from Bangladesh. I am a freshman and pursuing my career in Dental Hygiene. I am willing to serve and want nothing more than the opportunity to represent students and help them have their voices heard. As an international student I will make sure that every student who came from different countries never feel alone. I will help them in every step in their college life. I hope to work with the rest of Senate to address large and small issues. However, Senate, and our student body can only be heard if we speak and act together, in solidarity with one another. This is why I am asking for your vote to be a Student Senator.</i></p>
