Frequently Asked Questions

Who May Participate?

Spivey Hall's Summer Music Camp is designed for both boys and girls who will be in 4th – 7th grade in the 2018-2019 school year. ***Participation is not limited to previous choral experience; however, students need to be able to sing on pitch (in tune) before camp begins.*** Music teacher recommendations are required for new campers.

What if my Child Has Never Sung in a Choir?

Don't worry if your child doesn't have choral music experience (or any musical experience)! Participants simply need to be able to match pitch when they sing. If your child enjoys keeping a beat, Spivey Hall's Summer Music Camp will offer him/her a wonderful well-rounded introduction to the marvels of music-making.

What Will Participants Do at Camp?

This five-day camp will create a community of young people who enjoy singing with others and want to become better singers and musicians. Campers will work with members of the Spivey Hall Children's Choir Program staff to develop correct vocal technique, choral musicianship, ensemble singing, and more.

The Spivey Hall Summer Music Camp emphasizes total musical development through a broad range of activities. Campers will participate in chorus, a percussion ensemble, play tone chimes, engage in several folk dances, and participate in a piano lab, class ukulele, art, and other creative musical activities. Large and small group rehearsals will be conducted throughout the week, culminating in a free public concert on Friday afternoon, showcasing the campers' talents. Campers also have the opportunity to prepare a vocal or piano solo and receive one-on-one coaching during the week. See **What are Solo Study Opportunities?** for more information.
