6. Where should the minutes be posted (on Faculty Senate website?)
7. Should contact Elaine Manglitz about SGA representative.

New projects:

- Sexual Education in the dorms.
  - o Polly Parks – University Health Service Director. Come in to talk about this issue?
- Breast pumping station
  - o Facilities management form
  - o Feelers for who is willing to help out students to find a room.
  - o Some faculty may be uncomfortable to have a student in their office.
  - o Charlotte – how many stations? (Cathy - a place on each side of campus).
  - o While there may be space in the college of health, it may be nice to have signs, etc.
  - o Cathy – focus on getting something ... Hopefully Scott will be successful with facilities management, focus also on building coordinators.
  - o Mark – don't even have changing stations; gender neutral restrooms?
  - o Cathy noticed a temporary room with a door put up in the Library.
  - o Charlotte commented on the IKEA family restroom...
  - o Cathy indicated that there will probably be room to change/add to science building, but the sooner the better... Mark – also with the library (probably not too late).
  - o Mark – Good PR.
  - o The committee requested that Cathy contact library renovation project manager with the suggestion that a breast pumping or family restroom be included in the library renovation.
  - o Charlotte – stickers on offices to indicate offices which are available.
- Day care
- After the faculty senate meeting there may be a charge from Barbara
