## **SATISFACTORY ACADEMIC PROGRESS REQUIREMENTS**

General University policies on good standing and academic and disciplinary probation and suspension apply to the teacher education programs (except that for teacher education the standard is a 2.50 cumulative Program GPA on the last attempt of courses taken to meet program requirements, and a cumulative Institutional GPA of 2.50 rather than a 2.00 Institutional GPA). Due to the sensitive nature of working with children and youth in authentic school settings, the following additional standard applies: Any faculty member or administrator of the University and/or a cooperating school system may immediately remove a candidate from an on-site setting if, in that person's professional judgment, the candidate has acted in an inappropriate manner involving children or youth. The Coordinator for Educational Field Experiences and/or the Department Head for Teacher Education/Director of Professional Education Programs will investigate the case in an expeditious manner. The department head will issue a written ruling to the candidate with copies to the Dean of Arts and Sciences and the Provost/Vice President for Academic Affairs. Depending on the circumstances, the ruling may include exoneration, admonishment, probation, suspension of reasonable duration, or dismissal. Appeals may be initiated according to established University Academic Appeal policy.

## **STUDENT TEACHING/SENIOR INTERNSHIP**

In order to be placed in the student teaching/senior year internship, which begins during the first week or pre-planning week at the end of July or beginning of August, depending on the school year calendars of the six partnership school districts, candidates must have in place the following:

1. A cumulative Program GPA of 2.50 or higher.
2. A cumulative Institutional GPA of 2.50 or higher.
3. Completion of each course in the program sequence with a grade of C or higher (or K).
4. Endorsement of the junior year by the Professional Education Programs Committee (PEPC).

Course overloads will not be permitted during enrollment in the full-time student teaching/senior internship. The student may only be enrolled in student teaching/senior internship

## TEACHER CERTIFICATION

In Georgia, to receive certification to teach, individuals must document having met criteria endorsed by the Georgia Professional Standards Commission, including successful completion of the GACE Content Assessment(s). Fingerprinting and FBI background checks are required for professional employment in Georgia public schools. An applicant for certification in Georgia must comply with the ethical standards of the profession. Additional information and Georgia certification applications are available online at [www.gapsc.com](http://www.gapsc.com). The Department of Teacher Education will assist students in submitting proper documentation to the Georgia Professional Standards Commission.

### **Academic Policies**

Progress: It is expected that a student will need no more than 20 months to complete the MBA degree.

To receive a Master of Business Administration graduate degree from Clayton State University, a student usually completes all 33 semester hours of the program requirements from Clayton State University. All semester hours in the MBA program at CSU must be completed after the student has been admitted to the degree program. Transfer of graduate credit is generally not accepted, although a maximum of six transfer credit from an AACSB accredited institution may be considered on an individual basis.

Students accepted into a program who do not attend classes for over one year must apply for readmission into the degree program at both the School of Graduate Studies and the College of Business Administration level and begin a new planned program of study. Transfer course credit over five years old will not be accepted in the program. Other previous course work will be evaluated on the basis of its applicability to the new program of study. To remain a student in good standing, students must maintain a 3.0 GPA.

### **Withdrawals**

Withdrawals are subject to approval by the Director of the MBA program. Students who simply stop attending classes in any course without officially withdrawing will be assigned failing grades.

Any student who desires to withdraw from the University should contact the MBA Program Director. Following an exit interview, the student will be issued a copy of the withdrawal form and the Program Director will process the paperwork with the necessary University offices.

### **Enforced Withdrawal from the University**

A student who fails to comply with the conditions stated for provisional admission may be denied continuation in the program and the School of Graduate Studies.

### **Course Load**

Six semester hours will be required of all MBA students who seek to use financial aid in the spring, summer, and fall semesters. Students can register for up to four classes in Spring and Fall (two classes in each 8-week session) and three classes in Summer.

### **Change of Schedule**

A student's schedule may be changed subject only to the approval of the MBA Program Director. (Note: University policy is stated below.) The procedure is as follows:

1. The student obtains a drop/add request form from the respective school to add a course, drop a course, or to add and drop.
2. After the appropriate signatures have been obtained, the student makes the change using regular CSU student guidelines for adds and drops.

## **RULES AND REGULATIONS**

---

### **Undergraduate Specific Rules and Regulations**

---

#### **Course Overload**

---

Students may schedule up to 18 hours per semester (13 in Summer) without special permission. A student who wishes to accelerate his or her study by taking more than 18 hours (or 13 in Summer) up to a maximum of 24 hours in a semester must meet with their advisor and have a written overload request approved by the department chair or designee of the academic major. A student must have been at Clayton State University for at least two semesters and have achieved an overall B average before an overload will be approved, although the department chair or designee may make exceptions in special circumstances.

---

### **Graduate Specific Rules and Regulations**

---

#### **Course Repeat Policy**

---

A graduate student can repeat a course and earn a satisfactory grade. All course attempts are recorded on the transcript, but only the most recent attempt for credit will count toward fulfillment of the graduate degree program and be included in the institutional GPA. This policy provides an opportunity for a student to raise their GPA by re-taking a course and earning a higher grade, but students must be aware that the most recent grade will count even if it is lower. Courses in which a grade that is less than C (i.e., D, F, WF, or U) is earned will not count toward the fulfillment of the respective degree requirements. With the exception of a grade of U, grades less than C will also count for GPA calculation purposes. Courses in which grades of D, F, WF, and U are earned must be repeated.

---

#### **Academic Standing**

---

Graduate students are expected to maintain Good Academic Standing throughout their matriculation in their graduate program. Good Academic Standing at Clayton State University is defined as a minimum institutional graduate GPA of 3.0.

---

#### **Academic Probation**

---

Students whose institutional GPA falls below the minimum acceptable GPA of 3.0 are placed on Academic Probation. Students on Academic Probation are restricted to taking 6 credit hours or less for a minimum of one semester and until the institutional GPA is raised to a minimum of 3.0. Students on Probation must contact their Graduate Program Director to receive information and assistance on their continuation in graduate study. In addition, students on probation, especially

those on probation for the first time, may be required to develop a remediation plan for continuing in graduate school. International students who fall below a GPA of 3.0 risk losing their F-1 or J-1 active immigration status.

Students who are on Academic Probation who earn a term GPA of 3.0 or higher and raises his or her institutional GPA to a 3.0 or higher will return to Good Academic Standing.

Students who are on Academic Probation whose term GPA is 3.0 or higher, but whose institutional GPA remains below 3.0, will remain on Academic Probation.

Students who are on Academic Probation who earn a term GPA below 3.0 while on Academic Probation, regardless of the institutional GPA, will be excluded for one term (Academic Suspension (see below).

---

### **Academic Suspension**

---

Students who are on Academic Probation and earn a term GPA that is below 3.0 are placed on Academic Suspension. Academic Suspension bars students from enrolling for one semester. Students who are suspended are required to develop a concrete plan for academic success in consultation with their Graduate Program Director/Coordinator. Reinstatement is not automatic. To be reinstated a student must submit (1) a letter requesting reinstatement; and, (2) a remediation plan for future academic success to the School of Graduate Studies four weeks prior to the start of the semester in which they wish to resume coursework. Students who are reinstated will be on Academic Probation, will be restricted to 6 credit hours, and must continue to maintain a minimum term GPA of 3.0 until they achieve Good Academic Standing. For those reinstated, in consultation with their Graduate Program Director/Coordinator, the Dean of the School of Graduate Studies may impose additional restrictions such as, students may be required to enroll in specific courses, and/or participate in structured academic support programs.

---

### **Academic Dismissal**

---

Students will be dismissed from graduate study when their institutional is below 3.0 for two consecutive terms of enrollment. Students will also be dismissed from graduate study if their term GPA is below 3.0 following reinstatement from Academic Suspension.
