

Vaccination Incentive Program

Clayton State University is committed to providing a safe and healthy campus. To help achieve this goal, Clayton State University will provide an incentive to faculty, staff and students to get fully vaccinated against COVID-19.

INCENTIVE PLAN DETAILS

Effective August 30th, faculty, staff and students who are **fully vaccinated** between August 30th and October 29, 2021 will receive a \$75.00 payment via payroll or added to their student account. Vaccination is considered complete after one dose of the Janssen vaccine from Johnson & Johnson or the second dose of Moderna or Pfizer. The 100% FDA approved Pfizer vaccine is available on campus at no cost at University Health Services.

To be eligible for the cash incentive, unvaccinated faculty, staff and students may visit University Health Services to obtain a vaccination. Faculty and staff that receive their vaccination at University Health Services will receive the incentive without any additional steps from the participant. Faculty and staff that receive their vaccination from a facility other than University Health Services will be required to fill out the following Qualtrics survey **AND** present their vaccination card to Human Resources for verification prior to payroll's payment. The incentive will be paid when fully vaccinated (after the 1st dose of the Johnson & Johnson vaccine or after the 2nd dose of the Moderna or Pfizer vaccine).

For faculty and staff that were fully vaccinated before August 30, 2021, Clayton State will conduct two weekly raffle drawings for the next 8 weeks and 4 raffle drawings the final week of the incentive program. That's a total of 20 drawings for faculty and staff. The selected faculty or staff member in each raffle will receive a \$100 payment via payroll. The first drawing will take place on August 31, 2021. All payments are subject to appropriate taxation.

For students that were fully vaccinated before August 30, 2021, Clayton State will conduct a weekly raffle drawing for the next 8 weeks and 2 raffle drawings the final week of the incentive program. That's a total of 10 raffle drawings for students. The selected student in each raffle drawing will receive a \$300 cash payment. The first drawing will take place on August 31, 2021.

Vaccinated faculty, staff, and students may enter their name in the weekly raffles by completing the following surveys:
