

Documentation Guidelines Health Impairments

Please provide the following documentation:

- ☐ Documentation should be on a letterhead, dated and signed by a qualified professional or evaluator, e.g. identifying credentials with license number(s).
- ☐ The substantial limitation in a major life activity should be described.
- ☐ Recommendations of appropriate accommodations (e.g. extra time, frequent breaks).
- ☐ Discuss any current medications and how it impacts the individual's limitations.
- ☐ Documentation should be current (e.g. within the last six months).
- ☐ Must have a diagnosis consistent with DSM/ICD.
- ☐ Description of the current functional limitations impacting the student in the academic setting.
- ☐ Description of the expected progression, prognosis or stability of the health impairment.
