Bridgette McDonald Darren Thomas

Mike Mead Priti Bhatia

Svetlana Soroka

Mission

- Create a consistent process for the submissions and review of requests for new or modified workspace allocations.
- Ensure that all requests are reviewed fairly and objectively.
- Attempt to balance the needs of each department consistent with institutional requirements, priorities, and the Space Utilization report.

Review and Approval Process

- Facilities Modification and Space Allocation Form requiring approvals through Vice President level.
- 2. PowerPoint presentations to the committee may be required (format available on the Z: drive).
- 3. Committee deliberations and recommendations to Vice President of Business and Operations.
- 4. Submittal to President's Cabinet for final approval or changes.

Fall 2014

Fall 2014

9 Requests Submitted

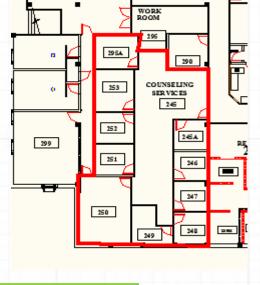

Department	Request	Requestor
Media and Printing	Restore lost square footage and centralize all satellite storage at one location.	Paul Bailey
Athletics	Convert part of the storage room into concession shop.	Tim Duncan
Auxiliary Services	Expand existing service counter and product prep area at Jazzman's.	Norman Grizzell
Auxiliary Services	Reconfigure salad bar into demonstration area and install mobile salad bar.	Norman Grizzell

Build out additional rooms for CAPS

CAPS

Option I

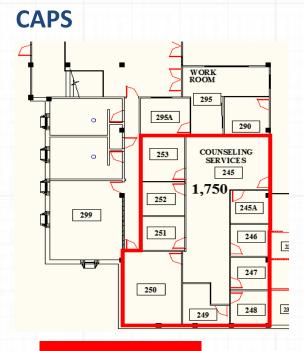

Requested:

Expand waiting area, add counselor office and storage room.

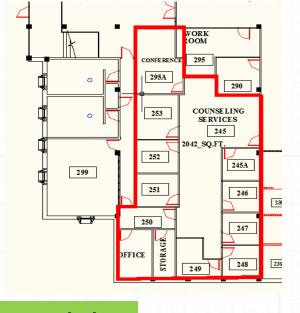

Recommended:

Option I - relocate Public Safety storage room from 295A to new built out area for Public Safety (former UHS remainded space) and build a new wall to extend into work room 295.

Build out additional rooms for CAPS

Option II

Requested:

Expand waiting area, add counselor office and storage room.

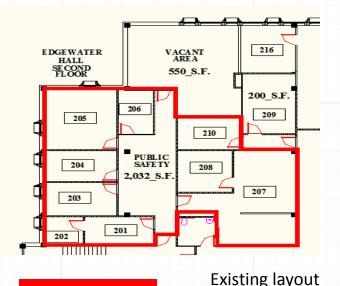

Recommended:

Option II - relocate Public Safety storage room from 295A to new built out area for Public Safety (former UHS remainded space), enclose lobby area to create a conference room, build one office and storage room out of existing conference room.

Build out additional rooms for Public

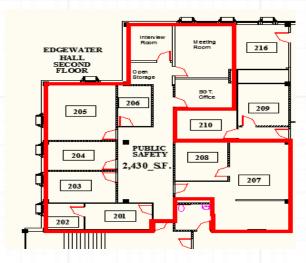

Safety

Public Safety

Requested:

Build out interview room, training room, office and storage room.

New layout

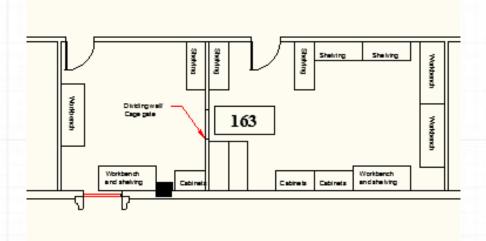

Recommended:

Rooms 295A and 210 have to be vacated and relocated into a newly built out space (remainder from UHS).

Enhance security in L-163

Information Technology

Requested:

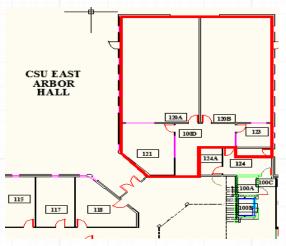

Install cage or modular wall with a door to enhance security in L163.

Recommended:

This is a necessary measure for inventory security. Committee recommends approval of the project.

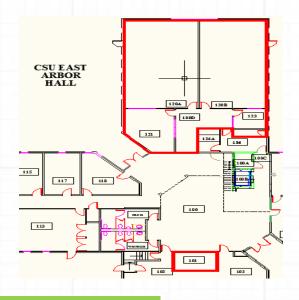

Space for large lockers in Arbor Hall

Testing Center

Requested:

Room for large lockers for students while taking tests in Arbor Hall.

Recommended:

Recommended to use room 101 next to auditorium 102.

Cosmetic upgrade for Lucy Huie Hall

Continuing Education

Requested:

Cosmetic upgrade of interior at Lucy Huie Hall (classrooms, hallways, restrooms and additional lighting for classrooms).

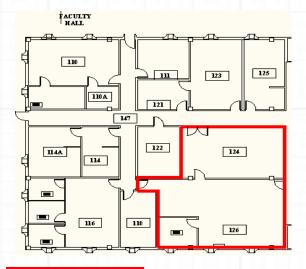

Recommended:

Committee recommends approval of cosmetic renovation of classrooms and hallway. Need to address moisture intrusion to the floor prior to renovation.

Centralize Storage and Operations for

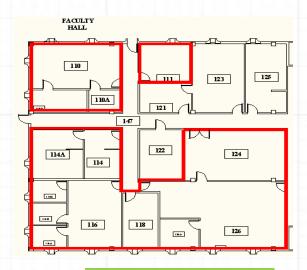

Media Printing

Media Printing

Requested:

Restore lost square footage and centralize all satellite storage at one location.

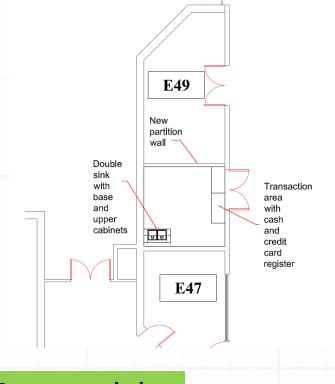

Recommended:

Relocate existing occupants to new locations in order to accommodate requested space.
Request is contingent on New Science
Building completion and relocation of faculty and staff.

Concession Shop

Athletics Center

Requested:

Convert part of the storage room in Athletics Center into concession shop.

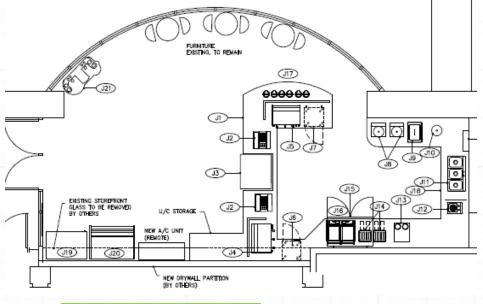

Recommended:

Committee recommends approval.

Jazzman's Café expansion of service area

Auxiliary Services

Requested:

Expand existing service counter and product prep area at Jazzman's.

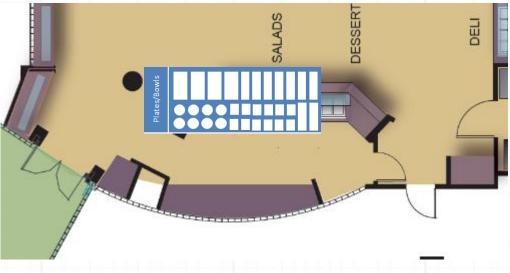

Recommended:

Committee recommends approval and contacting design Professional for new layout.

Dining Services salad bar reconfiguration

Auxiliary Services

Requested:

Remove existing salad bar and millwork and reconfigure demonstration area and install mobile salad bar. Create more enclosed storage.

Recommended:

Committee recommends feasibility performed for the request prior to approval.

Statistics on Submitted Requests
