Student Instructions for Acquiring MATH 1101 Course Materials via D2L

The following set of instructions will help you gain access to the Math1101 course materials, such as homework assignments and the e-Text. Your CSU student account will be billed the appropriate amount for course materials after the drop/add period ends. If you drop the course during the drop/add period, you will not be charged anything even if you used an access code. YOU DO NOT NEED A COURSE ID! For assistance with a question or problem, email help@redshelf.com for help.

➢ Use these instructions if you are taking Math 1101 at Clayton State for the first time or you are repeating Math 1101 at Clayton State, but you last took Math 1101 over ONE YEAR ago.
➢ If this is not your first time taking Math 1101 at Clayton State, but you took Math 1101 at Clayton State within the past year, please email Dr. Raridan at ChristopherRaridan@clayton.edu and he will try to help you obtain a free access code.

1. Sign in to the SWAN.
2. Click on Desire2Learn.
4. Click on your course: Intro to Mathematical Modeling XLS Group M5 Fall Semester 2017 CO - CO.280.MATH1101.XLS.M5.20182.
5. Under the “Content Browser” heading (middle of the page), click on Click Here First: Access Code MyMathLab (Do Not Delete).
6. Click on the MyMathLab link.
7. Find the Math 1101 course and select View Course Materials.
8. Click on Acquire Access Code.
9. Highlight the provided access code. Do not include any extra spaces at the beginning or end of the access code!
10. Copy the access code (Ctrl+C on a PC).
   • Warning: Do NOT share this code with anyone as it is unique to you.
   • Have a problem or question? Email help@redshelf.com for help.
11. At the top of the D2L page, where it says “My Home >,” click on the course name.
12. Under the “Content Browser” heading (middle of the page), click on “MyMathLab Links.”
13. Click on Math 1101-05/05S MyMathLab.
14. In the window that opens, you will be prompted to register, during which you will create an account and then enter your access code.
15. Click on the box for your access code and Paste (Ctrl+V on a PC).
16. Once you register and activate your code, MyMathLab will load.
17. From now on, you will
   • Sign in to the SWAN.
   • Click on Desire2Learn.
   • Click on your course.
   • Click the MyMathLab Links folder.
   • Click on Math 1101-05/05S MyMathLab.
   • Click on Assignments and select Homework or Quizzes/Tests as appropriate.

PLEASE NOTE:
• There is no guarantee an access code purchased from a source other than D2L is valid and that you take sole responsibility for such an action.
• If you opt-out, you acknowledge and accept the fact that you may not pass the course because you will not be able to complete the required assignments given in MyMathLab.
• Have a problem or question? Email help@redshelf.com for help.
