

College of Health Health Insurance Policy

The Clayton State University College of Health adheres to the University System of Georgia Student Health Insurance Policy (USG-SHIP). This policy requires students in health related programs to carry proof of health insurance coverage.

I understand that it is my responsibility to:

- have proof of health insurance coverage prior to enrollment in clinical courses
- be able to produce proof of coverage on demand, both on-campus and at off-campus clinical sites
- continue health insurance coverage throughout my tenure in the BSDH/BSN program

I understand that per University System of Georgia guidelines, I will be automatically enrolled each semester in a discounted group health insurance plan:

- fees will be added to my student account each fall and spring/summer
- students with private health insurance can submit waiver; upon approval fees will be dropped from student account
