**Distance learning program** with coursework available every fall and spring semester. Program prerequisites and separate program application must be completed prior to enrollment in upper division nursing coursework. Course scheduling is subject to change; consult the DUCK for course availability.

\*HLTH3200 is not offered at most schools; transfer students should complete at Clayton State during first semester of enrollment prior to nursing admission.

\*\*Upon successful completion of NURS 3197, block credit up to 30 semester hours will be awarded.

<sup>^</sup>Any three-credit hour NURS, HLTH, HCMG, HFMG or HSCI 3000/4000 level course (or appropriate upper division statistics course).
