

Library COVID-19 Mask Wearing Policy

Clayton State University Library upholds the right of our patrons to study and do research in a safe environment in accordance with our [Library Code of Conduct](#), rules established by the University and University System of Georgia, and [Undergraduate and Graduate Code of Conduct](#).

The [University System of Georgia](#) now requires the use of face coverings:

Effective July 15, 2020, University System of Georgia (USG) institutions will require all faculty, staff, students, and visitors to wear an appropriate face covering while inside campus facilities/buildings where six feet social distancing may not always be possible. Face covering use will be in addition to and is not a substitute for social distancing.

Face coverings are not required in one's own dorm room or suite, when alone in an enclosed office or study room, or in campus outdoor settings where social distancing requirements are met.

Anyone not using a face covering when required will be asked to wear one or must leave the area. Repeated refusal to comply with the requirement may result in discipline through the applicable conduct code for faculty, staff or students.

Reasonable accommodations may be made for those who are unable to wear a face covering for documented health reasons.

Anyone visiting the library is required to wear a face covering. Anyone without a face covering will be asked to put on a covering except those meeting the valid exceptions requirement. Those who refuse to wear a mask will be asked to leave the library, but library staff will offer virtual services instead. Failure to comply will be considered a violation of the Library Code of Conduct and will be treated as such.

Additional information about campus COVID-19 policies are on the [CSU website](#).
