7	Fees to a Clinical Placement Vendor for FNP program - Pediatric	We are finding it very difficult to locate sites for our 29 FNP students because we are competing with so many other Atlanta area schools. We wrote for a part-time clinical coordinator but the line was not granted which ultimately means that faculty time is spent finding sites. Childrens Hospital of Atlanta is one of the largest pediatric teachig facility but they only take Pediatric Nurse Practitioner students. Our new cohort of 20 students will begin in August and it would be great if we could have the 1st cohort partially placed	United Medical Rotations Michael Freeman 646-504-7044	N/A	\$ 19,440
