

FY19 Year-End Spend Requests-Enrollment Management

Rank	Item Description	Justification	Vendor Name	State Contract Number if applicable	Estimate Cost
1	CSU Henry IT Infrastructure Upgrade	<p>CSU Henry is in great need of improvements regarding its technology infrastructure. Currently, there are only two "portable" phones, important documents (i.e. transcripts, immunization forms) or physically transported to main campus, and with the expansion of classes, growth in faculty, and possibly private school students enrolling, the ability to access the CSU network, just as those at the Morr and Fayette locations, will be impertative for efficiency with daily operations and curriculum delivery. This upgrade will provide a secure network and access point to the main campus.</p>	Cogent, Mach 3, & Teneo		\$55,452.00
