Shows an unmet requirement for this block

The total number of credits needed to meet the minimum requirements for this block.

These columns provide information about the course (s) taken to fulfill the requirement.

Indicates the number of credits and courses applied from this block.

These columns shows the grade and the academic credit awarded for a course, and the term the credit was earned.

This symbol indicates the student is currently registered in a course to fulfill the requirement.

Credits shown in parentheses indicate the student is currently registered for this course.
