Financial Aid

Many students make the mistake of thinking that they can take care of their financial aid during the first week of classes. Since the financial aid process can take eight weeks or longer, you should complete the FAFSA (Free Application for Federal Student Aid) as far in advance as you possibly can. Contact the Financial Aid office in the Student Center, room 102, [visit their website](#), or telephone (678) 466-4185 for an application or additional information.
