Morrow, GA 30260-0285

Dear LaTonya Bonner:

We are pleased to inform you that your school has been granted a waiver of the institutional-share requirement under the Federal Work-Study (FWS) Program and/or the Federal Supplemental Educational Opportunity Grant (FSEOG) Program for the 2008-2009 Award Year. Your school must retain this letter as part of its program records.

Schools participating in the FWS and FSEOG programs normally are required to provide an institutional share under each program. However, certain schools are eligible for a waiver of those institutional share requirements under 34 CFR 675.26(d) of the FWS regulations and 34 CFR 676.21(b) of the FSEOG regulations.

Based on a review of our records, your school qualifies for this waiver by being designated as an eligible school under Title III or Title V of the Higher Education Act of 1965, as amended, and by having submitted a complete Fiscal Operations Report and Application to Participate (FISAP) by the established deadline. Therefore, we approve your school for a Federal share of up to 100 percent of the FWS earned compensation paid to students and/or up to 100 percent of the FSEOGs awarded to students for the 2008-2009 Award Year. Although your school has been granted this waiver, it still has the option to continue providing an institutional share and determining the amount of that share.

It is important to note that the 50-percent Federal share limitation for FWS wages paid to students employed by a private for-profit organization and the 80-percent Federal share limitation for the administration of the Job Location and Development Program still apply. The institutional-share requirements for these two categories of FWS expenditures are never waived.

If you have any questions concerning this waiver approval, please contact the Campus-Based Call Center at 877/801-7168. Customer service representatives are available Monday through Friday from 8:00 A.M. until 8:00 P.M. (ET). You may also e-mail [CBFOB@ed.gov](mailto:CBFOB@ed.gov).

Sincerely,

Sherlene McIntosh  
Director, Campus-Based Systems and Operations Division
