

FALL ELECTIONS FOR 2021-2022 INFORMATION

August 4, 2021

Greetings Potential SGA Candidate!

Election of new Freshman Student Senators for the 2021-22 academic year will occur August 24-27, 2021. Read thoroughly this information contained in this packet about SGA membership and how to become a candidate for election.

The Student Government Association (SGA) is the primary governing organization for Clayton State University students which exists to serve the broader needs and concerns of the student body. I am excited that you are interested in becoming a member of the Student Government Association. The time and energy required of an SGA representative is considerable but the experience is quite worthwhile.

As an SGA Senator, it will be your job to listen to and bring forth issues that concern fellow students, your constituents, at the University. The time you should devote to this role will consist of participating in University, Senate and other committee meetings, attending University functions and events, and meeting with various members of the administrative staff and faculty.

Please feel free to contact me if you have any questions or concerns.

Best regards,

Jeffrey D. Jacobs
Dean of Students/SGA Advisor
