Name: Aloni Martin
Candidate: SGA Vice-President
Major: Psychology and Human Services

Statement of Intent

Hello dear Lakers, my name is Aloni Martin and I am running to be your Vice President in SGA for the academic year of 2024 -2025. My goal is to be the voice of the students here at Clayton State. To voice the changes that need to be made so that my peers can thrive as scholars. I want to help make the school a safer learning space for everyone. More importantly, to help create a unified space for everyone on campus to feel included and heard. As Vice President, I will strive to increase student engagement on campus and in academic matters. I hope to be gain your vote and become your SGA Vice President for 2024-2025.

Name: Bruno Okonkwo
Candidate: Graduate Senator
Major:

Statement of Intent

I humbly present myself to serve as a graduate senator in the Clayton State University Student Government Association. As a Bachelor's graduate in Project Management Technology and a current Master's student in Cyber Technology, I bring a strong foundation in leadership and strategic thinking. My experience as the Students Union Government Secretary during my undergraduate years equipped me with the skills to effectively represent and advocate for student needs. If elected, I will work to drive initiatives that benefit our student community. Your support can help us achieve

meaningful progress together. I am committed to representing your voice and driving positive change within our campus community. Your vote is a step toward progress. Thank you for your support. Yours in service,
Bruno

MATHEMATICS

Name: Amiah Pierre
Candidate: Undergraduate Senator
Major: Mathematics

Statement of Intent

I'm Amiah Pierre, and as a learning assistant, I see firsthand the dedication our school has to education, its students, and its staff. I have enjoyed the nurturing environment of our campus and am inspired by the work of those who have served as senators before me. I am eager to continue their work by advocating for your needs and fostering an inclusive community where every student can thrive!

Name: Olivia Banks
Candidate: Undergraduate Senator
Major: Health Science

Statement of Intent

I am dedicated to representing the voices of my fellow students at Clayton State University. My experience on campus has given me insight into the challenges we face, and I am committed to addressing them with integrity and dedication. As an officer/senator, I will work to foster a more inclusive and engaging environment, ensuring that every student feels empowered to contribute. I believe in collaboration and am eager to bring fresh ideas to our Student Government Association. I respectfully ask for your vote to help lead our community forward.

Name: Hannah McGarity
Candidate: Undergraduate Senator
Major: Marketing

Statement of Intent

With a strong background in leadership and public speaking through the Miss Georgia Scholarship Organization, I believe I can make a big impact for the wellbeing of our CSU Lakers. I will listen to the needs of other students and take action in finding solutions. Vote for me to Build the Laker Dream!

Name: Diamin Campbell
Candidate: Undergraduate Senator
Major: Psychology & Human Services

Statement of Intent

Fellow Lakers, As the president of Psi Chi and a dedicated member of ROTC, I've had the privilege of serving our community with passion and commitment. I'm a psychology major with a minor in social work, and I believe that understanding people is at the heart of effective leadership. My experiences have taught me the importance of listening, advocating for others, and making informed decisions that benefit everyone. If elected as your SGA officer, I will work tirelessly to ensure your voices are heard and that we continue to build a campus environment where everyone can thrive. Thank you for your support.

Name: Brooke Buford
Major: Health Science
Candidate: Undergraduate Senator

Statement of Intent

Hello Lakers! I am excited to ask for your support as I run for SGA Senator. As your representative, I will be a strong advocate for the issues that matter most to you. I'm passionate about fostering a vibrant and inclusive Laker community where every voice is heard and everyone has the opportunity to succeed. Together, we can make Clayton State a place where every student feels supported and empowered. Vote for me, and let's work together to create lasting change and make a powerful impact through strong leadership!

Name: Tikenya Russell
Major: Health Science
Candidate: Undergraduate Senator

Statement of Intent:

I am all about love. Spreading love and peace. I believe this campus needs that and I'm the right one for the position!

Name: Zoe Cody
Major: Business Admin
Candidate: Undergraduate Senator

Statement of Intent

As a dedicated and passionate student, I am confident that I would be a strong Student Government Association senator. With my unique blend of work experience, extracurricular achievements, and academics, I believe that I have the necessary skills to effectively listen to your concerns, represent, and serve the student body. Throughout my academic journey, I have demonstrated my ability to balance academics with leadership responsibilities, and honed my skills in communication, management, problem-solving, and collaboration through the workforce. Additionally, my involvement in my church community has provided me with a deep understanding and an open heart to the needs and concerns of our student community. With my passion, experience, and commitment, I am the ideal SGA senator candidate.

Name: Alonzo Williams
Major: Computer Science
Candidate: Undergraduate Senator

Statement of Intent

I feel like I should be elected to serve as a senator because I really want to provide more opportunities for students to get involved in activities on campus. I want to look into adding an official men's/women's volleyball team, or any other sport or academic clubs that students may want.

Name: Rebecca Oji

Candidate: Undergraduate Senator

Major:

Statement of Intent

I want to be the change. As a student here at Clayton State I don't want to be a mere figure head, but to be a voice for my fellow students. I want to make sure that Clayton State University is marketed and advertised in a way that it may be put on the map. So, that it is not just me who loves the school, but others can learn to love and appreciate it as well. Join me in this endeavor, let's make the change together.

Name: Marvens Camille

Major: Health Science

Candidate: Undergraduate Senator

Statement of Intent

Hello Lakers! My name is Marvens, and I'm honored to have been crowned Mr. Freshman 2024. As a Resident Assistant at Laker Hall, I've had the privilege of supporting our diverse community firsthand. I'm an outgoing and kind individual who is passionate about seeing everyone succeed. My goal as your SGA officer/senator is to bring fresh ideas and positive changes that make every student feel included and valued. I'm dedicated to ensuring that all voices are heard, and I'm excited to work together to make our campus even better. Let's win together!
