

Fee	Amount	Manager	Comments
Applied Music Course	\$20	Susan Tusing	Approved
Art Courses	\$40	Susan Tusing	More detail required for P-Card purchases in line item or narrative. For example, could specify purchases were for paint, canvases, brushes.... This is the second year for a surplus in this account. For the February meeting, please provide an explanation of why the fee should continue at this level. Approved with comments.
College of Business Program	\$41	Louis Jourdan	Approved but please provide more of a narrative for P-card purchases.
Dental Hygiene Lab	\$35	Gail Barnes	Approved but please provide more of a narrative for P-card purchases. Next year there will be additional costs of technology needed to create paperless lab, which will more than deplete the anticipated revenue next year.
HFMG Lab/Assessment	\$35	Melanie Poudevigne	Approved. This is a good model of detail.
Computing System Fees	\$50	Byron Jeff	Approved. May need to consider increase in future if deficit is expected to continue. Another good model for detail.
MBA Dolce Center	\$750	Michael Deis	Approved
MBA East Metro	\$450	Michael Deis	No fees were collected
Natural Sciences Lab	\$35	Michelle Furlong	Approved. Good model of the type of detail required.
School of Nursing Program	\$284	Betty Lane	Approved. Nearly all of the "Other" category is for testing. Testing will be added as a line item to the form next year so that it is not in the "Other Expenses" line.
Fayette Off- Campus Fee	\$20	Leslie Moore	Approved.
Online Course Fee	\$35	Jill Lane	Approved. Fees may need to be revised if additional software and other needs continue to be provided by CID for programs with students who do not pay the online course fee due to current eTuition policies. The committee also recommends that current eTuition policies be examined in light of the need to provide adequate support to the CID.
Teacher Education Internship Course Fee	\$100	Ruth Caillouet	No fees have been collected yet.
Teacher Education Practicum	\$25	Ruth Caillouet	No fees have been collected yet.

Course Fee
